

Community of Practice Research-Policy-Practice Translation

Research-Policy-Practice Translation Community of Practice Workshop - May 2024

The fourth workshop promoting connections and relationships between CoP participants to 'bridge the gap' between research, policy and practice. Hosted by SA Dental, the workshop will use an Oral Health case study to practically explore the development of the RPP CoP Position Statement.

Objectives:

- **Facilitate communication and connections** between researchers, policy actors and practitioners.
- **Advocacy** for cross-sectoral collaboration and learning across multiple sectors.
- Support Research-policy-practice translation **capacity development**.
- Provide an environment for CoP participants to **share information, ideas and lessons learnt**.

Program:

- Welcome - *Kristy Nixon*
- Research-Policy-Practice Translation CoP Position Statement - *Carmel Williams*
- SA Dental Case Study - *Kristy Nixon*
- CoP in action - Advocacy / Capacity Building / Information sharing - *Kristy Nixon*
