

# Community of Practice Research-Policy-Practice Translation

## Research-Policy-Practice Translation Community of Practice

### Workshop November 2024

#### Introduction:

The vision of the Research-Policy-Practice Translation Community of Practice (RPPT CoP) is for timely and effective translation of research into policy and practice to become embedded into public policy processes across sectors and disciplines. This will support holistic evidence-informed, efficient, and collaborative approaches to societal challenges.

This RPPT CoP workshop is the fifth in the series aiming to forge and foster interdisciplinary relationships and collaboration, as well as research-policy-practice translation capacity and capability development among CoP participants.

This workshop will be jointly facilitated by Peter McDonald and Carmel Williams.

#### COP Objectives:

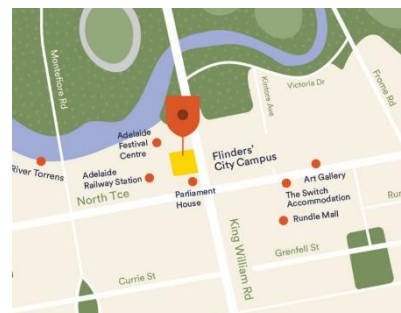

- To support research-policy-practice translation **capacity development** through workshops and the establishment of a resource repository
- To promote interaction among individuals, teams, and organisations from a diverse range of sectors and disciplines, to **support cross-sectoral collaboration**
- To facilitate **information sharing and communication** between researchers, policy actors and practitioners
- To **advocate for more effective research-policy-practice translation** practices
